Globalmail Business

Value-added services that pay off.

GLOBALMAIL BUSINESS speeds your international correspondence while you save substantially on postage and labor costs through services such as pick up, sorting and stamping. Take advantage of special mail fulfillment services that include labeling, folding, inserting and messaging. We'll increase the efficiency of your mailing through address management services, such as address hygiene and merge and purge. In addition, you may access customized invoicing and real-time charge-back capabilities through our Internet-based SmartCharge® system.

A world of choices.

In addition to *GLOBALMAIL BUSINESS*, you can choose from a broad product portfolio offered by DHL Global Mail™ – the quick and cost-effective solution for your direct mail, parcels, publications and catalog mail to any major markets worldwide. With DHL Global Mail as your partner for speed, accuracy and customized solutions, you can maximize your market potential – across the globe.
