

Smartmail Flats - Budget

SMARTMAIL
FLATS

Are you mailing marketing material such as brochures, newsletters, annual reports or proxies? Does your business send enrollment kits? If your mail items include the above mentioned and weigh from 1 ounce to 1 pound, they may qualify as United States Postal Service "Flat Mail."

Rely on the expertise of our mail processing.

DHL Global Mail™ offers SMARTMAIL FLATS®, a cost-efficient solution that provides customers an alternative to in-house mailing. After picking up your mail, we will sort and process the pieces at one of our nationwide Mail Terminals, transfer them to the destination facility and insert the items deep into the United States Postal Service (USPS) mail stream.

Peace of mind.

It's our way of delivering something money can't buy: satisfied customers across the USA. Take one look at our service options and you'll understand.
